The building of the Isolation Block, from the plans of Mr. E. Stanley Hall, F.R.I.B.A., was commenced in August last and the Foundation Stone was laid on November 4th by H.H. Princess Marie Louise. The Committee are glad to report that it has now been possible to fix a date for the opening ceremony, which H.R.H. Princess Mary, Countess of Harewood, has kindly consented to perform on Thursday, July 10th.

**RESEARCH LABORATORY.**

Plans for the Research Laboratory have also been prepared and the building has been commenced. It is hoped that the Laboratory will be available for research work by the end of the year.

**NURSES' HOME.**

To accommodate the nursing and domestic staff for the Isolation Block, about 40 in number, a large house on the site ("Oakbrook") has been adapted.

**ANTE-NATAL DEPARTMENT AND DISTRICT  
MIDWIVES' HOME.**

Another house on the site has been adapted, and is already in use as an Ante-natal Department and District Midwives' Home, from which the Hospital Midwives will attend in their own homes, patients living in Hammersmith and surrounding districts.

**NEW ANTE-NATAL DEPARTMENT  
AT NORTH KENSINGTON.**

The Committee are also glad to report that they have leased very suitable premises, at 240, Ladbroke Grove, for the Ante-natal work in North Kensington, in place of the very

inadequate present accommodation at the District Midwives' Home, 176, Ladbroke Grove. The remodelling is well in hand, and the new premises will shortly be opened.

### PATIENTS.

The number of In-Patients during the year was 2,360, as compared with 2,375 in 1928. On many occasions throughout the year the Hospital was overcrowded and there were no beds for patients presenting themselves with orders of admission. Arrangements had to be made, at very short notice, to find accommodation for them elsewhere. In addition, a considerable number of women wishing to come into the Hospital had to be refused owing to lack of room. Of the 2,360 patients admitted 1916 were married women, and 444 single women with the first child. The "booked" cases numbered 2,151 and "emergency" cases 209. Of the booked patients 7 died, being at the rate of 3.2 per thousand, but there were 9 deaths amongst the emergency patients, being at the rate of 43 per thousand. These striking figures emphasize the great importance of the ante-natal care and treatment which all booked patients receive in the Ante-natal Department for many weeks before the confinement, whereas the emergency patients are sent to the Hospital at very short notice and frequently in a critical condition. The fact that while the infantile death rate in booked cases was only 25 per thousand as compared with 153 per thousand in emergency cases, shows how important it is for every woman to receive regular ante-natal care and treatment for some months before her confinement.

### ADDITIONAL BEDS FOR IN-PATIENTS.

The overcrowding and the pressure upon the accommodation for the In-Patients has become so acute at the Hospital that the Committee have decided to take temporary measures to give some relief by converting another empty house upon the site in Goldhawk Road into an Auxiliary Hospital with accommodation for about 20 patients, which will roughly provide for 500 per annum.

It is hoped to have the beds ready for occupation by July. Only normal cases will be sent to the Auxiliary Hospital. The cost of upkeep will be a considerable burden upon the Income of the Hospital, and the Committee hope that Subscribers may see their way to add £1 to their present subscription, which would more or less cover the cost. It will probably be some years before sufficient money is collected to remove the present Hospital to the Goldhawk Road site, and the Committee hope that they will have the support and help of Subscribers in the maintenance of the new beds.

Maternity Hospitals are not able like General Hospitals to regulate their In-Patients. The Capital sum for the conversion of the house into an Auxiliary Hospital has been found (by the generosity of the Ladies' Association Committee, and Lady Howard de Walden), and will be no charge upon the Building Fund.

### **ANÆSTHETICS FOR PATIENTS.**

The Committee are very pleased to report that the special fund inaugurated by Lady Williams to make provision for patients to receive an anæsthetic during confinement has been completely successful. In May last one Resident Anæsthetist was appointed. Since the close of the year a second Anæsthetist has been appointed, thanks to the generosity of Mrs. Anthony de Rothschild and Mrs. Stanley Baldwin's Birthday Fund. It is hoped it will now be possible to arrange for every patient to receive an anæsthetic during her confinement in the Hospital. The Committee are much indebted to these ladies for their efforts in bringing this project to so successful a conclusion.

### **DISTRICT OUT-PATIENTS.**

The number of women attended in their own homes by the Hospital Midwives was 1,546 as compared with 1,639 in the previous year, and it is gratifying to be able to report that there was not a single maternal death for the third year in succession. The total number of patients delivered during these three years was 4,783. There were only 12 deaths of infants, being at the rate of 7.8 per thousand.

### **ANTE-NATAL DEPARTMENTS.**

The number of patients who attended these departments either at the Hospital or at the Kensington District Home was 4,527, the total number of attendances being 15,109. All the patients booked for admission to the Hospital or to be attended at home by the Hospital Midwives receive regular care and treatment at these Centres, which are also open to other patients sent by doctors and midwives.

### **INFANT CONSULTATION CENTRE.**

There were 3,721 attendances at this Centre in Harcourt Street during the year, being an average of nearly 37 per session.

### **THANKS TO THE STAFF.**

The thanks of the Committee are due to the Honorary Medical Staff for their valuable services during the past year.

The Committee also desire to thank the staff generally for the loyal service rendered by them.

### **GRATITUDE OF PATIENTS.**

On page 15 will be found some extracts from grateful letters received from patients.

### **THE MIDWIFERY TRAINING SCHOOL.**

The work of the Training School has been well maintained, as will be seen from the Report of the School on page 14.

### **PRIVATE NURSING STAFF.**

There has been a further increase in the number of applications for the services of the nurses on the Private Staff, which is a gratifying tribute to the efficiency of the Nurses trained at the Hospital. Last year the number of cases attended by them was 464 as compared with 394 in the previous year.

### **DRESDEN ASSISTANCE FUND.**

By means of this Fund for the assistance of patients on leaving the Hospital, 176 mothers were sent with their babies to Convalescent Homes as follows :—

St. Mary's Convalescent Home, Birchington ...	99
Middlesex Hospital Convalescent Home, Clacton	28
George Whitlaw Convalescent Home, Taplow...	28
Other Convalescent Homes .....	21

Many other patients were helped by gifts of food (meat, milk, eggs, bread, etc.) and clothing. Dental treatment was given whenever necessary and in a number of cases surgical appliances were supplied.

### **SAMARITAN FUND.**

This Fund, for the assistance of Out-Patients, is unfortunately only large enough to assist a few of the patients. Last year 22 Out-Patients were sent, with their babies, to Convalescent Homes at a cost of £39 13s. 0d., and £71 5s. 9d. was expended on gifts of clothing and food to the more needy patients. Additional donations to this Fund are much needed.

### **LADIES' ASSOCIATION.**

The Committee are grateful to the Ladies' Association for the valuable assistance they continue to render to the Hospital. Although they have again given much active support in

NURSES RECEIVING INSTRUCTION IN THE PRELIMINARY TRAINING SCHOOL.

connection with the Rebuilding Appeal they have still carried on, with much success, their special work in support of the maintenance of the Hospital, and as will be seen from the Account on page 37 their contributions in the form of furniture and linen amounted to £951 15s. 6d. *Inter alia* they are also providing for the reconstruction of the new premises for the Ante-Natal Department, North Kensington.

### **DEATH OF MRS. CHRISTIE-MILLER.**

The death on November 5th of Mrs. Christie-Miller, Treasurer of the Ladies' Association and Member of the Committee of Management, is deeply regretted, and the Committee desire to place upon record their great appreciation of her valuable services and generous support during the 25 years of her connection with the Hospital.

### **HONORARY MEDICAL STAFF.**

The Committee also regret to report the death of Dr. C. Hubert Roberts, Consulting Obstetric Surgeon to the Hospital, with which he was connected for 30 years. The Hospital has established the new Office of Pediatrician, for which it has been so fortunate as to obtain the valuable services of Dr. Eric Pritchard.

### **FINANCE.**

The Income for the year was barely sufficient to meet the expenditure, leaving the small balance of £77 16s. 7d. Gifts for endowment amounting to £205 were received.

### **REBUILDING FUND.**

The net proceeds of the Fund for the year amounted to £39,052 2s. 9d., including generous grants for the years 1927, 1928 and 1929 amounting to £15,315 6s. 11d. from King Edward's Hospital Fund.

The Committee are most grateful to all those who have contributed to the Rebuilding Fund, and they hope to welcome a large number of them at the Opening Ceremony of the Isolation Block on July 10th. The next step in the scheme for the removal of the Hospital to Hammersmith is a serious problem, involving an expenditure of at least £150,000. The need of further help is therefore very great, and the Committee earnestly appeal for further generous assistance to enable them to proceed with this much-needed extension at the earliest possible date.

The map at the end of the Report indicates the sums required for the various buildings which must be erected, before the new scheme can be completed.

## GRATITUDE OF PATIENTS.

---

*Extracts from letters received from Patients :—*

R.E.W.—“ Kindly accept — as a small token of my extreme gratitude for the magnificent treatment and attention on the part of your District and House Staff at the confinement, and to whose skilled attention I owe the life of my wife.

I would give more had I the means, as I consider the work of your Institution the most deserving of all causes, but as I am only a working man I can only offer my heartfelt thanks.”

M.P.—“ Will you please accept my sincere thanks and gratitude for all the care and kindness I received from Sisters and Nurses in whatever part of the Hospital I was.”

E.E.M.—“ May I express my great appreciation for the kindness of the Nurses, and the splendid attention I received during my confinement. I cannot thank everyone in the Hospital too much.”

G.P.—“ I am very grateful to all concerned for the way I was treated and should certainly go there again. Everyone was wonderfully kind and the small sum which I paid is not an eighth of what I owe the Hospital.”

J.L.H.—“ On behalf of my wife and myself I wish to thank you from the bottom of my heart for the splendid care that was taken over her during her confinement, and also I thank you for my wife's splendid recovery. I am most delighted to say that my wife's remarks are that nothing could have been more comfortable than Queen Charlotte's.”

S.B.A.—“ My wife and I beg to thank you and your nurses very sincerely for the kindness, consideration and attention rendered her in the event of our first-born (little girl) coming into the world, and for the pleasant way everything is carried out in your wonderful Hospital.”

A.G.E.—“ My wife wanted me to express her gratitude to you, the Nurses, and in fact all the staff, who looked after her in her recent confinement, and she said that they couldn't do enough for her in any way from the time she went in until she came out, and I wish to add my thanks as well.”

W.L.M.—“ I had a charming little daughter on December 15th, and returned home last Friday after having received the most wonderful treatment and kindness.

“ May I again thank you, that I was able to have such treatment.”

H.A.T.—“ I would add that I sincerely appreciate the services rendered to my wife, and should be extremely grateful if you would kindly convey to the Staff at 176, Ladbroke Grove, my utmost thanks for their most careful attention, and highly efficient manner in which they carried out their work.”

REPORT OF THE EXECUTIVE COMMITTEE FOR THE YEAR  
ENDING 31ST DECEMBER, 1929.

---

Before reviewing the work of the Association during the past year, the Executive Committee have to report, with the deepest regret, the death on November 5th, of Mrs. M. E. Christie-Miller, the Honorary Treasurer. At a meeting of the Executive Committee held on November 7th the following resolution was passed :—

“The Executive Committee of the Ladies’ Association have heard with the deepest regret of the death of Mrs. M. E. Christie-Miller, the Honorary Treasurer, and desire to express their sincere sympathy with the members of her family in their great bereavement. They also wish to place on record their great appreciation of Mrs. Christie-Miller’s invaluable services to the Hospital, and of her most generous support during the many years of her connection with it.”

Mrs. Christie-Miller’s whole-hearted service for the Hospital will ever be gratefully remembered.

By the kindness of the Rector of the Swedish Church, in Harcourt Street, the annual meeting was held in the Church Hall on Thursday, 6th June, when there was a large attendance of members, Lady Howard de Walden presiding. The speakers on the occasion were Lady Mildmay, of Flete, and Mr. J. Bright Banister, F.R.C.S. (a Consulting Surgeon to the Hospital). Lady Mildmay said that at a recent visit she had been much struck by the brightness and cheerfulness which pervaded the Hospital. She referred to the fact that for the second year in succession there had not been a single maternal death among the 3,237 patients attended by the Hospital Midwives in their own homes. She welcomed the decision to re-build the Hospital at Hammersmith, and dwelt on the importance of the proposed Isolation Block for puerperal fever cases, and on the necessity for ante-natal beds, which she was very glad to know would be provided in the new Hospital.

Mr. Banister rejoiced that Queen Charlotte’s was the first Hospital in the country to realize the importance of having an Isolation Block for cases of puerperal fever. The

medical staff were hopeful that much good would result from the facilities for research which would be provided on the new site.

On the conclusion of the meeting many members visited the Wards of the Hospital.

The following new members of the Executive Committee have been elected :—Mrs. John Buchanan ; Mrs. Juan Drysdale ; Ethelwyn Lady Pease.

During the year members were very active in connection with the various entertainments organized in connection with the re-building fund, so that the number of special efforts for the Association was again somewhat restricted. A Jumble Sale, organized by Mrs. Walter Seligman, Mrs. George Grumbar, and other friends, yielded £100, and a gift and purchase sale at Mrs. Walter Seligman's house resulted in a profit of £90. Donations received included :—

Lady Howard de Walden	...	£200
Mrs. Christie-Miller	...	£200

On Alexandra Day the Ladies' Association undertook the arrangements for the sale of flowers over a much larger area than in previous years, with the result that the sales were far larger than in any previous year. It is gratifying to report that the grant received from the fund was also larger, namely, £560.

The following statement gives particulars of the income for the past three years :—

Gifts of furniture (including new cots for the babies), bedding and linen to the value of £951 15s. 6d. have been made to the Hospital and the Nurses' Home, and the subscription of £50 for the Ladies' Association Bed has been continued.

As will be seen from the report of the Committee of Management, the building of the Isolation Block on the new site at Goldhawk Road, Hammersmith, is progressing, and

it is hoped to open it about the end of June, together with "Oakbrook," which is being converted for the accommodation of the nursing staff. Another house, "Longthorpe Lodge," has been adapted for use as an Ante-natal Department and District Midwives' Home, and will shortly be opened. These additions will add considerably to the expenditure of the Hospital, and the Executive Committee are anxious to be in a position to render greater aid to the Hospital than in the past. They therefore earnestly appeal for more subscribers so that they may be able to give substantial support to the important new features of the Hospital's work.

- 1928 H.R.H. Princess Louise (Duchess of Argyll), great-granddaughter of Queen Charlotte, attended the first annual Queen Charlotte's Birthday Ball on May 16th.  
The first meeting of the National Council of the Campaign was held on the same day when H.R.H. the Duchess of York graciously consented to be President of the Council.  
H.R.H. The Duchess of York and H.R.H. Princess Beatrice attended Mr. John McCormack's recital in aid of the Campaign at the Albert Hall on June 25th.  
H.R.H. Princess Beatrice opened the Queen Charlotte Baby Show at the Royal Botanic Gardens on July 9.  
T.R.H. Prince and Princess Arthur of Connaught attended the Variety Performance at the Hippodrome on November 30th.  
Decision taken to move and rebuild the entire hospital, and the new site of 5 acres purchased in Hammersmith.
- 1929 H.H. Princess Marie Louise presided over meetings of the Grand Committee in connection with Queen Charlotte's Loan Silver Exhibition at Seaford House, and H.R.H. the Duchess of York opened it on May 1st.  
H.M. The Queen, accompanied by H.R.H. Prince George, visited the Exhibition, which was also inspected by H.R.H. Princess Mary, Countess of Harewood, and The Earl of Harewood, H.R.H. The Duke of Connaught, H.R.H. Princess Arthur of Connaught, and H.H. Princess Helena Victoria.  
On Nov. 4th H.H. Princess Marie Louise laid the foundation stone of the first (isolation) building of the new Queen Charlotte's in Hammersmith, and consented to be Vice-President of the National Council, which held its second annual meeting on the same day in the Villa "Oakbrook" on that site.

## REPORT FOR 1929.

The past year has proved a record one in the history of the hospital and the hospital campaign ; and we must be deeply grateful for the wonderful help of a rapidly increasing body of supporters, which now numbers many thousands of new friends, a reflection of an enlightened public opinion which our Campaign has been so instrumental in arousing.

Unfortunately, the MATERNAL MORTALITY RATE in England and Wales has not shown any improvement since last year, as is clear from Sir George Newman's Report on the "State of the Public Health for 1928." The deaths of mothers in childbirth increased from 2,690 in 1927 to 2,920 in 1928, when the mortality rate was 4.42 per 1,000 live births. The Report points out the grave, disquieting fact that "4.42 is the HIGHEST MATERNAL DEATH RATE recorded since the revised classifications came into force in 1911, and that this death rate has shown no substantial reduction since 1911."

If we add the 790 further deaths of mothers in 1928 from causes associated with childbirth, the total is increased to 3,710, a rate of 5.62 per 1,000. The total since 1911 is 73,682 deaths, or an average for the whole 18 years of 5.29 per 1,000 live births.

Of these deaths, 1,184 in 1928 were due to **puerperal fever**, which Sir George Newman has pointed out as **the chief single cause of maternal mortality**, and about this figure of 1,184 his Report says : " This is certainly an under-statement of the deaths due to puerperal infection."

It is important to note that in London alone in 1928 there were 1,068 puerperal fever and pyrexia CASES NOTIFIED, for which there was no adequate voluntary hospital accommodation, nor will there be until our new Isolation Block is opened in Hammersmith this year.

The foundation stone of the new Queen Charlotte's was laid, as noted elsewhere, by H.H. Princess Marie Louise, who graciously consented to act at very short notice, as H.R.H. Princess Mary was prevented by her recent bereavement from doing so. The participation in the ceremony was specially representative, not only as regards all the religious denominations, but also the Health and Social Welfare authorities. In his address the Chairman of the Hospital, Sir Samuel Scott, explained in detail the urgent need for the isolation building and the far-reaching plans that had been drawn up for the new hospital. The Campaign supporters all over the country, numbering 4,200, and the old friends of the hospital numbering another 600, were all invited to the ceremony and nearly 500 of them were able to be present. Generous donations were received from many of those who were unable to come.

Reference was made in the last Annual Report to the historic decision taken to remove and rebuild in Hammersmith—a decision that aroused the greatest public interest. The new Queen Charlotte's will, if the public continue their support, be the **LARGEST**

MATERNITY HOSPITAL IN THE EMPIRE, with an ultimate capacity of at least 358 beds. Of these beds 200 will be in the public wards, 80/100 in the private paying wards for middle-class patients of small means, for whom there is no provision in London now, and 48 pre-natal beds, together with 30 beds in the Isolation Block now building, with nurseries for 30 infants. There will be improved facilities for post-graduate and midwife training, as well as for extending educational training among expectant mothers and mothers, by means of pre-natal clinics and infant welfare work. Most important of all, there will be for the first time in Great Britain adequate facilities for research into puerperal fever.

The financial success of our Campaign, remarkable as it is, still leaves us in the serious position of having raised only a fifth of the sum ultimately required, and we are faced therefore with the grave problem of raising an immense capital sum in the near future if this great national hospital is to be reconstructed so as to deal adequately with the terrible problem of maternal mortality. One of our chief sources of capital has been that of INDUSTRIAL BEDS subscribed by Industries or Professions, who thereby have the right to nominate patients. During the past year the Stock Exchange have endowed such a Bed, the big Banks and Financial Institutions another, while other Beds are in process of completion. The cost of building, equipping and partly endowing a Bed in the new hospital is £3,500.

Private donors are finding it very profitable to covenant for Beds or other large donations by annual instalments for seven years, **so that full advantage can be taken of super-tax and income tax rebates.** Those who wish to help this great undertaking in its urgent need for capital for rebuilding are most earnestly requested to investigate the advantages of our seven-year tax covenants. The Organizer will be pleased to send specimen Deeds to those who are interested.

At the other end of the economic scale there are the shops and small establishments, and here we have nearly 1,200 of our registered Red Cradles in action collecting many hundreds of pounds a year, mostly in coppers, a striking tribute to the popularity of the hospital among the poorest classes.

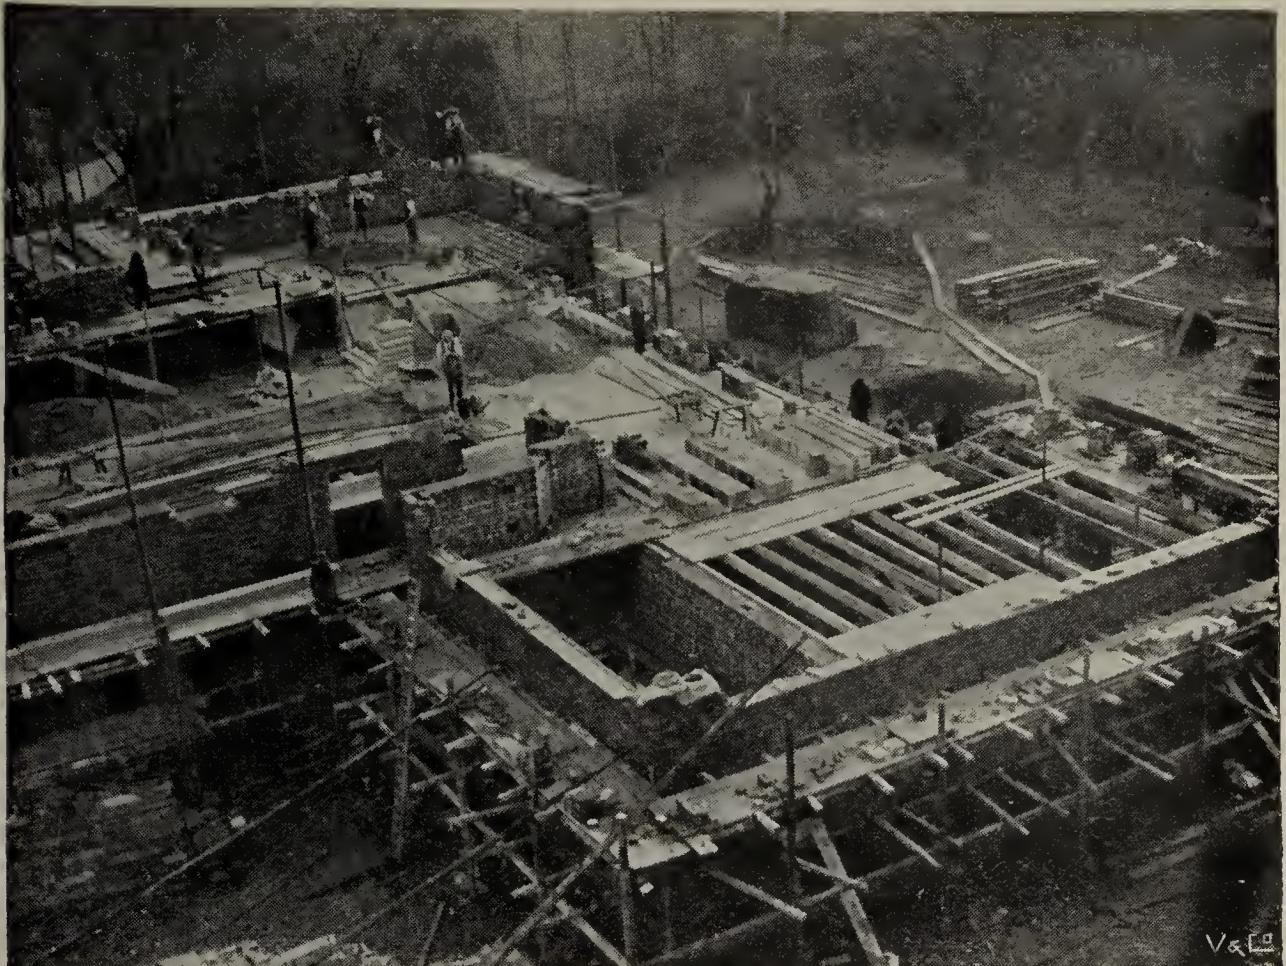

During the past year, with the Lady Howard de Walden as hostess, and with the active help of our untiring Treasurer, Mr. Anthony de Rothschild, a City Luncheon of a most unusual kind was held at the Salters Hall, generously placed at our disposal by the Worshipful Company of Salters, when the then Minister of Health, Mr. Neville Chamberlain, took the unprecedented course of speaking very frankly on the problem of maternal mortality to a representative gathering of business and financial leaders. He welcomed not only the steps taken by Charlotte's to rebuild on a large scale, but the fact that for the first time RESEARCH could be based on actual fever cases, hitherto scattered all over the country, and therefore impossible to investigate.

In May last The Lord and Lady Howard de Walden most generously lent Seaford House for Queen Charlotte's Exhibition of Old Silver, which was visited by 10,000 persons, a number which would have been greatly exceeded but for the demands of the election and electoral work. H.M. The Queen lent pieces and visited the Exhibition, as indeed did most of the Royal Family, and the visitors' book is a record of distinguished names. In fact, the Exhibition attracted the greatest public interest, both at home and abroad. The wonderful exhibits, including priceless heirlooms from great houses, are illustrated in a limited edition *de luxe* catalogue, of which copies can still be obtained from the Organizer.

In May and July respectively, our Entertainment Committees organized two Balls—the Argentine under the able chairmanship of Mrs. Herman Andreea, when 900 attended, and the American, which was attended by about 350.

In December, under the active chairmanship of Lady Hamond Graeme, a most successful Santa Claus Ball was held at the Kit-Cat Restaurant, to which over 700 came.

The Campaign's entertainment activities, it will be seen, are on a very large scale, and we must thank many new and old friends of the hospital for their untiring efforts at a time when Charity entertainments are very numerous.
